# EcoTile Ceiling Tiles

## "Lifetime Solutions"

Available in 2' x 2' and 2' x 4' Sizes!

MSM Global One is the original manufacturer of the PVC eco-friendly lay in EcoTile Ceiling Tiles - Class A Fire Rated Bacteria, Mold & Mildew Resistant - Waterproof & Washable. We introduced this innovative and durable product back in the early 1990's. Over the years we have enhanced the designs and improved the specifications.

- |  |                                  |
|--|----------------------------------|
| <b>WaterProof 100%</b>                       | <b>Washable - Easy to Clean</b>  |
| <b>Bacteria, Mold &amp; Mildew Resistant</b> | <b>UV Resistant - Recyclable</b> |
| <b>Impact Damage Resistant</b>               | <b>Easy to Cut and Install</b>   |

## Sustainable Building Products

MSM Global One plastic building solutions are durable, long lasting products that are warranted for 25 years and are completely recyclable. In addition to being 100% waterproof they are also washable, mold and mildew resistant and will not harbor bacteria, making them a cost effective choice due to their low maintenance and long life span.
